September fee will be half the cost due to the start date of the program.

- Post dated cheques are acceptable for the first of the month;
- Cash/Cheque payments are also acceptable and may be given directly to the treasurer (Stephanie Dyer) or placed in the locked mail box located in the Pool Office. Stephanie is the only one with a key and does check it on a regular basis.
- Fee Subsidy is for Competitive Swimmers only (former fundraising commitment). The name has changed to more accurately reflect the purpose of this fee, please see attached letter from Lorne George Fundraising Chair.
- In cases where families have swimmers in both competitive and pre-competitive programs the discount rate applies to the pre-competitive swimmer.

The Marlins Executive understands the financial commitment involved for families, should any family need to discuss their payment arrangements with the treasure Stephanie Dyer (gdyer@nf.sympatico.ca), please feel free to do so.
